

Accelerate Your Clean Energy Business

Innovation DuPage is proud to launch the Clean Energy Incubator Program—a no cost initiative designed to help small and emerging clean energy businesses grow, connect, and thrive across Illinois. Supported by the Illinois Department of Commerce and Economic Opportunity (DCEO) through the Climate and Equitable Jobs Act (CEJA), this program offers wraparound services with a focus on equity and access.

Program Benefits Include:

- Full Premium (Scale) Membership to Innovation DuPage at no cost to the participants
- Coworking space & meeting rooms
- Business development tools & training
- Marketing exposure & subsidized interns
- Cohort-based training (starting January 2026)
- Personalized mentorship from industry experts
- Access to low-cost capital & certification support
- Operational & business assistance

...and much more!

Whether you're launching a startup or scaling your clean energy company, this program is your gateway to growth and impact.
